Step #1: Concept. Concept.

Concept. Whatever you do, don't  
write your ideas down, don't draw  
them out, don't use pictures, sticky  
notes, or arrows. I'm joking. You

need to do that asap. That's the  
first step. Take a whiteboard,  
notebook or some computer paper  
and draw the idea out! Go ahead  
and take up the whole wall or  
floor. From Idea to Execution:

(small incremental steps). Moral of  
the story. Following through on your  
ideas as an aspiring entrepreneur is  
hard work. The statistics are a  
testament to this. The key has and  
always will be your execution.
